SUCCESS STORY SNAPSHOT

The client: One of the nation's largest diversified financial services organizations

The solution: Beyond partnered with the client and their recruitment agency to implement a 30-day trial that included 1,800 job postings. The posted positions encompassed a range of salaries, experience levels and business categories, including asset management, retail banking, mortgage banking, customer service, operations, and others.

Results: 62 hires were attributed to the 30-day trial

Agency testimonial: "The Beyond.com trial was unbelievably successful. When you take into account the amount of time that it ran, it was highly impactful as compared with other campaigns and recruitment sources."

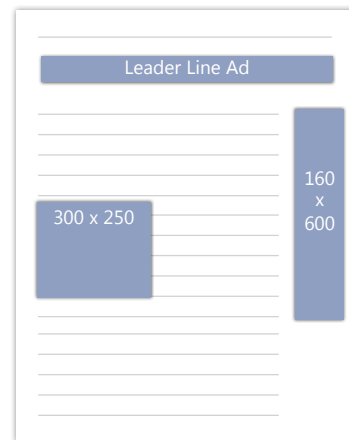

DISPLAY ADVERTISING

Great for: Gaining targeted exposure on pages where millions of professionals search, interact and apply every day.

- Targeted reach
- Flexible placements
- Performance reporting

Options available:

- Leader Line – 88x31 logo image, 100 Characters
- Wide Skyscraper – 160x600
- Medium Rectangle – 300x250
- Interstitial – Customizable

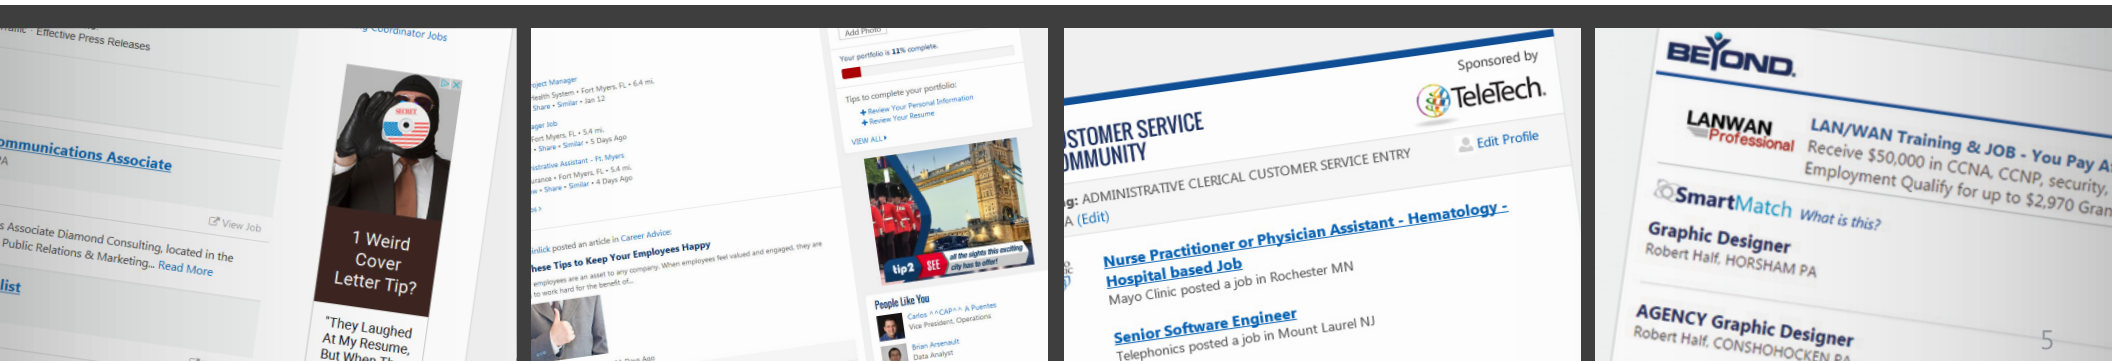

CAREER ALERT SPONSORSHIP

Great for: Driving qualified applicants to your job listings and other recruitment messages through prominent placement in highly effective email communications.

Career Alert emails provide our members with daily notification of the latest jobs matching their search criteria. As a result of our precise job matching and the extremely engaging job content, these emails are among our top-performing tactics.

- Potential to reach millions of candidates in a single blast
- Targeting available by industry, location or website
- High open and click through rates

10 MILLION Daily Career Alerts
20% Open Rate

SUCCESS STORY SNAPSHOT

The client: A Fortune 500 insurance company

The solution: The client and their agency chose to include a Beyond community sponsorship in their 2012 recruitment plan. Their sponsorship consisted of a customized strategy that incorporated targeted placements across the Beyond Career Network, with a particular focus on display advertising.

Results: The campaign resulted in a total of **34,574,193 impressions** and **8,315 leads** in 5 months, at one point driving **2,400 applicants in just 30 days**.

The agency now considers Beyond a “premier partner” due to the consistently impressive results they were able to deliver over the course of the campaign.

CANDIDATE SEARCH

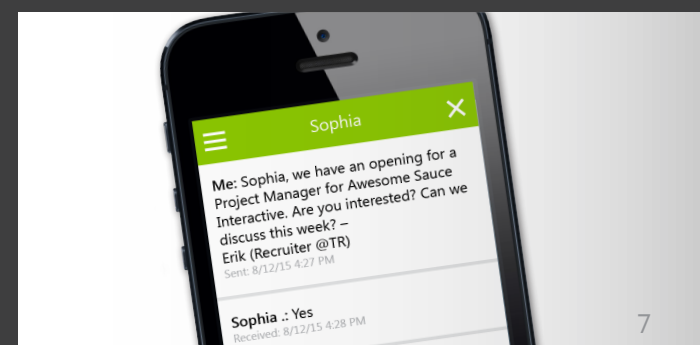

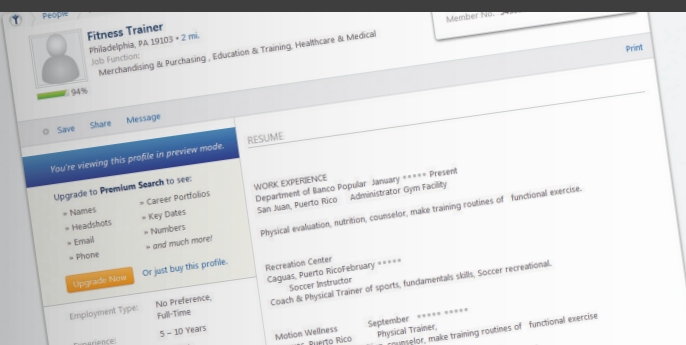

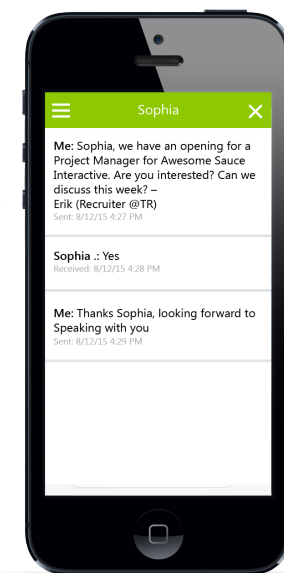

Great for: Identifying well-qualified candidates, including passive job seekers who may not be as inclined to take action on their own.

- 40 million searchable profiles
- Detailed search criteria
- Patented technology to deliver the most accurate results
- Free search alerts
- Resume sharing functionality
- Up to 5 users per license

TEXT2HIRE

Great for: Delivering recruitment messages directly to candidates with quick delivery and exceptional response rates.

- Personalize each text message to maximize engagement potential
- View campaign reporting to easily measure success
- Engage with candidates real-time for instant results

TARGETED EMAIL CAMPAIGNS

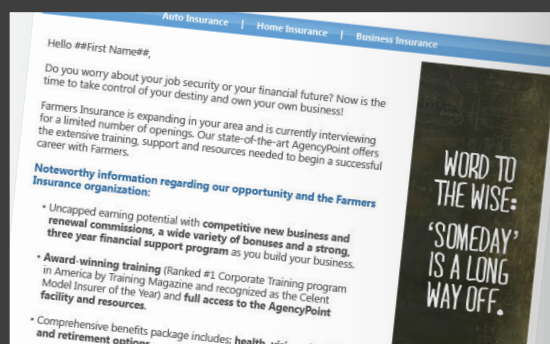

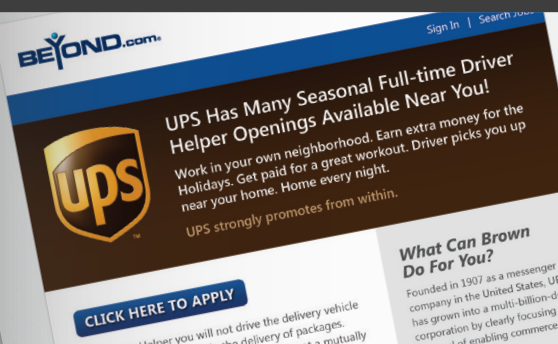

Great for: Reaching millions of qualified, opt-in candidates within all industry niches, geographic areas and levels of experience.

By combining the best features of job postings (high quantity of responses) and candidate search (high quality of candidates), targeted email campaigns prove to be an effective solution for a number of different objectives.

- Find qualified candidates for hard-to-fill positions
- Make a large number of hires at once
- Drive quality traffic to career events
- Create brand awareness

Available targeting criteria:

- Job Title
- Education Level
- Industry
- Gender
- And More
- Job Function
- Experience Level
- Geographic Location
- Keywords

SUCCESS STORY SNAPSHOT

The client: A leading global financial services company

The solution: Beyond.com worked with the client and their agency to launch targeted email campaigns designed to promote Open House events and attract qualified customer service candidates.

Results: 100+ email campaigns were sent over the course of 4 years, resulting in an impressive **16% Open Rate** and **3% Click Through Rate**. Individual campaigns had **open rates as high as 29%**.
